PROFILE

I am a software engineer with experience in a variety of programming languages and a track record of delivering high-quality code. I am skilled in problem-solving and have a strong background in Web development. I am a strong communicator and enjoy working collaboratively with others.

Development Skill

- Developed and maintained various web applications using languages such as HTML, CSS, JavaScript, Node.js, Express.js and Database.
- Adopt new technology with respect to time and building responsive, user-friendly websites with clean, maintainable code.
-

EDUCATION

Bachelor in Software Engineering

Iqra National University Peshawar Pakistan.

Start in 2022 (In Progress)

Summary

Looking for a full-time role where I can face new challenges, use my communication, time management, and problem-solving skills, and continue to grow professionally.
